COUNTY OF LOS ANGELES
SHERIFF'S DEPARTMENT

FORCE INCIDENT EVALUATION

UNIT: Twin Towers Correctional Facility
DATE: December 2, 2005, Thursday
TIME: 0400 hours
LOCATION: Twin Towers Correctional Facility, Module 162, Cell 11 (an upper tier)
URN#: 005-02083-5800-145
IAB#: FO2159997

NATURE OF INCIDENT:

At approximately 0400 hours on December 2, 2005, Twin Tower Correctional Facility Deputies Donald McNamara, Levi Belville and Daniel Perez were involved in a significant force incident where the suspect, Cornelius Scott, was hospitalized for bleeding on the brain. The bleeding was caused from a pre-existing [redacted] that Inmate Scott had and exasperated by the force.

Deputy McNamara, [redacted] contacted Inmate Scott at approximately 0400 hours to ready him for a court appearance. At first, the inmate appeared compliant. However, when McNamara opened the cell door, Inmate Scott, kicked the door open, spun, and punched McNamara in the mouth. Deputy Levi Belville, [redacted] arrived to assist Deputy McNamara, at which time Inmate Scott grabbed onto Belville's uniform shirt, with both hands, tore it open and forced Belville backward toward and over the stairwell railing. Inmate Scott and Deputies McNamara and Belville exchanged punches as they tried to force Scott to the ground. During the struggle, Inmate Scott grabbed and squeezed Deputy Belville's testicles. Deputy Perez, [redacted] ran to the location to assist and helped Deputies McNamara and Belville pull Inmate Scott to the floor. The deputies were able to overcome Scott's assault and place him in handcuffs.

BY: Larry L. Landreth, Sergeant
DATE: February 08, 2006

Inmate Scott was transported to L.C.M.C. for examination and treatment, where a C.T. scan revealed slight bleeding on the brain, and a [redacted] Dr. Banashe, Neurologist, said that the pre-existing [redacted] made Inmate Scott predisposed to such bleeding.

A check of Inmate Scott's medical records revealed that he had been injured during a struggle with Inglewood Police Department officers during his arrest. Scott also had an old injury to the [redacted] as evidenced by considerable scaring around the [redacted]

Internal Affairs Bureau Lieutenant Curtis Jensen was notified and Sergeants Larry Landreth and David Stunson responded to Twin Towers Correctional Facility to conduct an administrative review of the incident.

INVOLVED EMPLOYEE STATEMENTS

Deputy Donald McNamara, [redacted] prepared a crime report and provided a statement to T.T.C.F. Sergeant Ellison.

Deputy McNamara wrote that he and Deputy Levi Belville, [redacted] were on the upper deck of 162 D Pod for the purpose of preparing inmates who were ordered to appear in court. Deputies McNamara and Belville walked up to Cell #11, where inmate Cornelius Scott was housed, because Deputy McNamara received a court pass for Inmate Scott's appearance in court for that day. Deputy McNamara wrote that as he stood in front of the cell door, Inmate Scott stood

up and approached. McNamara noted that Inmate Scott had dark bruising around both his eyes, stitches above both eyebrows and swelling across his forehead.

While the door was closed and locked, McNamara ordered Inmate Scott to turn around and place his hands behind his back in preparation to open the door and place Scott in handcuffs. Inmate Scott appeared to comply by turning around as ordered. He placed his hands behind his back and waited. Deputy Daniel Perez, [redacted] arrived at the cell door to assist both deputies. Deputy Perez opened the cell door approximately twenty-four inches to allow Deputy McNamara to place Inmate Scott in waistchains.

IAB Note: T 162-D Pod was used as an over flow for the 7th Floor of T.T.C.F. The inmates on D Pod were either suicidal, mentally unsound, highly assaultive toward staff members or unable to be housed with any other inmates.

As Deputy McNamara approached the open door, Inmate Scott raised his left leg and kicked back into the cell door causing it to violently open and narrowly missed Deputy McNamara. Inmate Scott spun around and struck Deputy McNamara in the mouth with his fist. The blow knocked Deputy McNamara backward and caused a split to his lip **(refer to photograph in Exhibit G).** Inmate Scott attempted to strike Deputy McNamara again and McNamara ducked to avoid the punch. McNamara lowered his body and grabbed hold of Scott's waist in an attempt to tackle him to the floor. Inmate Scott was able to pull away and charged at Deputy Belville while Deputy McNamara still had hold of Scott's waist.

Inmate Scott charged at Deputy Belville and the momentum carried both of them out onto the row tier. Inmate Scott grabbed onto Deputy Belville in a "bear hug" from the front and drove Deputy Belville back into the railing of the upper tier. Deputy McNamara believed the inmate was attempting to force Deputy Belville over the railing and down to the floor, some twenty feet below **(refer to photographs in Exhibit G)**. Deputy McNamara reported he struck Inmate Scott three times in the right side of his face with his fist to stop the attack. McNamara reported he ordered the inmate to stop fighting, but Scott refused and yelled out, "R.C. gonna fuck you up, homey" (a reference that Scott was a member of the Raymond Avenue Crips gang).

Inmate Scott still had Deputy Belville pinned up against the railing and was attempting to lift Deputy Belville up and over it. Deputy McNamara reported he punched Inmate Scott twice in the right side of the face and once in the left rib cage to prevent him from pushing Belville over the railing and to certain serious bodily injury. Deputy Belville was able to regain his balance and move laterally along the railing sufficiently enough to fall away from the railing with Inmate Scott underneath him.

Deputy McNamara reported that Inmate Scott grabbed onto Deputy Belville's uniform shirt and was able to use his legs to force Deputy Belville toward the stair way. Deputy McNamara feared that Inmate Scott possessed sufficient strength to force both Deputy Belville and himself down the stairs; Deputy McNamara punched Inmate Scott at least three more times in the right

side of his face and head with a fist. Deputy McNamara's blows appeared to have stopped Inmate Scott's attempt to force Deputy Belville down the stairs and Inmate Scott turned his attack toward Deputy McNamara by kicking him several times in the right knee.

Deputy McNamara reported he moved around and with the help of Deputies Belville and Perez they were able to place him in handcuffs. Inmate Scott continued his verbal threats against the deputies after he was in handcuffs. Inmate Scott was transported to the Tower One Clinic by stretcher for medical evaluation.

IAB Note: refer to Exhibit A for a copy of McNamara's crime report documenting his actions, observations and use of force, under the file # 005-002083-5800-145.

Deputy Levi Belville prepared a supplementary report and provided a statement to T.T.C.F. Sergeant Ellison.

Deputy Belville reported substantially the same as Deputy McNamara reported with the following exceptions. Deputy Belville reported that when he was able to force Inmate Scott and himself off of the tier railing and onto the floor, Inmate Scott grabbed onto Belville's uniform shirt and tore it open. Scott began to use his legs and feet to force Deputy Belville toward the stairs leading to the lower deck; believing he was about to fall down the stairs, Deputy Belville punched Inmate Scott approximately six times on both sides of the face. Inmate Scott grabbed on to and began to squeeze Deputy Belville's genitals causing Deputy Belville to punch Inmate Scott again in the face approximately six additional times to force Scott to unhand his genitals. Inmate Scott released his grip and reached out to grab onto Deputy Belville's left leg. The move by Inmate Scott caused him to stretch out his body and allowed Deputies McNamara and Perez to gain control of Scott and placed him in handcuffs.

IAB Note: refer to Exhibit B for a copy of Belville's supplementary report documenting the incident, his force used and observations, under the file # 005-02083-5800-145.

Deputy Daniel Perez, [redacted] wrote a supplementary report documenting his involvement, use of force and observations. He also verbally reported his observations to Sergeant Dana Ellison.

Deputy Perez reported the same observations as deputies McNamara and Belville except for the following exceptions or additions. Deputy Perez wrote when Inmate Scott charged out of his cell and had pinned Deputy Belville up against the tier railing, out of fear for Deputy Belville, Deputy Perez punched Inmate Scott twice on the left side of the face with a fist and ordered Scott to stop fighting and give up.

Inmate Scott refused to comply and when he was attempting to push with his feet, Deputy Belville down the stairs, Deputy Perez reported he dove on top of Inmate Scott to force him

down onto the floor and stop his attack on Deputy Belville. Deputy Perez reported he injured his right wrist at that time.

Deputy Perez stood up and moved away from Inmate Scott for a moment before returning and punching Scott between five and seven times in his right mid-section to stop his attack on Deputies Belville and McNamara. Deputy Perez reported this did not stop his attack and Inmate Scott continued kicking violently at both deputies. Deputy Perez reported he punched Inmate Scott again between five and seven times in the mid-torso, trying to stop the attack. After delivering the second set of punches, deputy Perez was able to grab hold of Inmate Scott's right arm and forcibly placed it behind his back while Deputy McNamara was able to do the same with the left arm. They placed handcuffs on Inmate Scott and summoned medical staff to their location.

IAB Note: refer to Exhibit C for Deputy Perez' supplemental report under file number 005-02083-5800-145.

SUSPECT'S STATEMENT:

Suspect Cornelius Scott was contacted by I.A.B. investigators' Landreth and Stunson on December 2, 2005, at L.C.M.C., 13th Floor. Inmate Scott was unconscious and unable to make a statement.

EMPLOYEE WITNESS STATEMENTS:

Deputy Justyn Hayward [redacted] prepared a supplementary report documenting his observations. Deputy Hayward reported he was on the upper tier of 162 D Pod with Deputies McNamara and Belville. Deputy Hayward reported he had carried up the stairs several sets of waist chains, used to secure suicidal inmates for their court appearances. Hayward stood at the top of the stairs while Deputies McNamara and Belville spoke to Inmate Scott. Scott appeared to be cooperative, even jovial with the deputies, and gave no indication he would become assaultive.

Deputy Daniel Perez arrived at the upper tier with the keys to open the cell door and Inmate Scott complied with the demand to turn around and place his hands behind his back. As Deputy Perez unlocked and open the cell door, Deputy Hayward reported he heard a very loud 'thud" and saw the cell door violently swing open. He saw Inmate Scott spin around and start to swing at the deputies. He saw Inmate Scott rush Deputy Belville and force him up against the tier railing. He saw Deputy Belville and Inmate Scott move toward the stair way opening and fearful that Scott would push Deputy Belville down the stairs, and Deputy Hayward used his shoulder and body to force them away from the stair well. Both Deputy Belville and the inmate fell to the floor in front of the stairs.

Deputy Hayward reported he could not drop the waist chains because he was fearful that Inmate

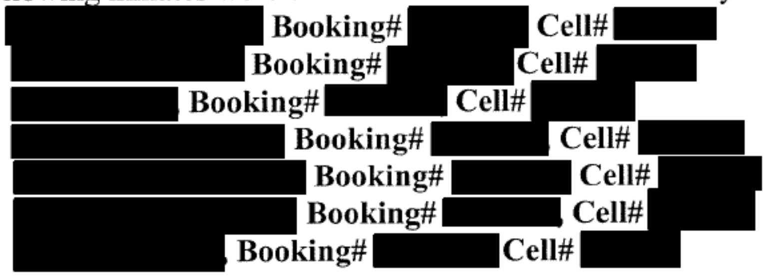

Scott would obtain them and use them as a weapon against the deputies. Hayward ran to the opposite end of the tier and secured the chains to the shower stall door. He ran back and placed an assistance call over the radio regarding the fight with the inmate. He reported he was unable to assist the deputies due to the small area available between the stairs, wall and cells. He remained watching and continued to radio that the fight was still in progress. He gave commands to the inmate to stop fighting and give up, but he did not comply. Eventually Deputies McNamara and Perez were able to place Inmate Scott in handcuffs. Deputy Hayward radioed for medical staff to respond to the location with a stretcher for the inmate. Deputy Hayward reported his observations to Sergeant Ellison upon his arrival.

IAB Note: refer to Exhibit D for Deputy Hayward's supplementary report under file number 005-02083-5800-145.

INMATE WITNESS STATEMENTS:

Inmate [redacted] **Booking#** [redacted] was interviewed on December 2, 2005. The interview took place in the T 162 day room and was recorded. [redacted] said the fight took place in front of his cell([redacted]), and when he heard the deputies arrive and announce it was time for court, he stood up at the glass door to his cell. He said he saw the deputy open Scott's cell door and Inmate Scott rushed the deputy. He saw Scott push the deputy back and the other deputies struck Scott several times. The deputies placed Inmate Scott in handcuffs and onto a medical stretcher. Inmate [redacted] said he saw the deputies "beat" Inmate Scott and he also acknowledged that Inmate Scott was scared and fighting hard.

The following inmates were contacted and determined that they did not witness the incident:

SUSPECT INJURIES:

Inmate Scott was brought into the Tower One Clinic after the altercation with deputies. Staff Nurse Chidi B. Udengwu noted that Scott had facial injuries, huge swelling to the forehead and active bleeding. He also observed scattered redness to the back and an abrasion to the back of the right arm, below the elbow. These injuries were consistent with an altercation with deputy personnel, per R.N. Udengwu's opinion.

IAB Note: When Inmate Scott was processed into I.R.C. he reported

that he had been "beat up" by personnel from Inglewood Police Department during his incarceration there. Refer to Exhibit E, medical file, for details of the medical screening process.

Inmate Scott was transported to L.C.M.C. for further evaluation. Dr. Banashe, Neurologist, had a C.A.T. scan performed and found that Inmate Scott had slight bleeding on the brain. Dr. Banashe said that Inmate Scott had a [redacted] in his [redacted] from a prior injury and he was very susceptible to bleeding.

IAB Note: Inmate Scott's medical file was obtained with permission from L.C.M.C., Refer to a copy of Inmate Scott's medical file from the hospital for details of his medical treatment and diagnosis, Exhibit E.

Deputy Personnel:

Deputy McNamara sustained a laceration to the inside of his upper lip from Inmate Scott. He was examined at the Tower One Clinic and the injury was documented by Sergeant Ellison **(refer to photograph in Exhibit E)**.

Deputy Daniel Perez was examined at U.S. Health Works for a complaint of pain to his right wrist. He was diagnosed with a slight sprain to the wrist.
